Honeychop Topline & Shine

A non-heating fibre blend for topline and condition, containing a high oil, low starch pellet with ingredients proven to build condition without causing excitability.

Honeychop Lite & Healthy

A non-heating, low sugar fibre feed, free from alfalfa and molasses, suitable for those prone to laminitis. Soft fibres with oil and herbs support healthy metabolism.

NEW

Honeychop Super Senior

Formulated to provide a comprehensive blend of ingredients to benefit the older horse. Palatable fibres and oil support condition, while glucosamine supports joints and aids cartilage function.

Honeychop Chopped Oat Straw

Honeychop Chopped Oat Straw is a straight high fibre feed, which is screened and dust extracted; a pure natural product with nothing added.

no added sugar & low starch

"I was recommended Topline & Shine by a friend, I'm so glad I took her advice. My horse looks a million dollars, her coat is really shiny and she looks really well in herself, she absolutely LOVES it."

TRADITIONAL

OUR ORIGINAL RANGE OF HIGH FIBRE HORSE FEEDS

Honeychop Plus Herbs

Honeychop Plus Herbs is an oat straw chaff with a wonderful aroma that is highly nutritious and extremely palatable.

Honeychop Plus Apple

Honeychop Plus Apple is a high fibre oat straw chaff combined with apple flavouring to tempt even the fussiest of feeders.

Honeychop Plus Garlic

Honeychop Plus Garlic is an oat straw chaff that contains enough garlic in a 1kg per day serving to eliminate the need to feed extra supplements.

Honeychop Original

A high fibre oat straw chaff with the addition of limestone flour and salt with a light sugar blend coating.

Honeychop Calm & Shine

Honeychop Calm & Shine is a blend of high fibre oat straw, dried grass, marigold, nettle, mint, camomile and oil. An excellent fibre choice if your horse or pony is a little excitable or if you just want great condition and ease of riding.

Our customers and their horses love Honeychop...

"The difference in my horse is amazing. She's been on Calm & Shine now for around 6 months, everyone comments on how nice her coat is, she's so much calmer too."

THE HONEYCHOP RANGE IS PRODUCED ON OUR FAMILY FARM IN RURAL SUFFOLK

We use the highest quality Conservation Grade oat straw which is home grown, or locally sourced from our carefully selected British growers.

Our range of feeds are made using quality, natural ingredients. Thanks to these naturally nutritious ingredients you can be assured that your horse is receiving the highest quality feed made to the highest standards.

The environment and sustainability are at the heart of what we do. We commit over 10% of our farmed land to biodiversity and habitat creation where birds and wildlife thrive.

NUTRITIONAL INFORMATION

Our horse feeds are designed to meet the needs of your horse, pony or donkey, whatever their age or concerns.
